Sir, Through the Director of Public Instruction, Madras

I have the honour to report that the two sections of the III Form are now 96 strong and have become very unweildy. It is almost impossible for two, teachers to manage the two existing sections of the class. The 16 boys above the maximum number allowed for the two sections by the Educational Rules are the boys who were promoted from the lower classes for whom the Municipality is bound to provide. It is very likely that there would be more admissions into the class in course of time. A third section has therefore to be opened. Accordingly the Council have sanctioned the opening of an additional section for III Form with a teacher on Rs: 0-2-50 with the usual allowance of

allowance of Rs:6/- in their Resolution No. 56 dated 26-6-24 (copy enclosed). In the circumstances explained above, I request that the Government will be pleased to accord their sanction for opening an additional section for III Form with a teacher on Rs:40-2-50 with the usual allowance of Rs:6/- per mensem ~~at a very early date~~ with effect from 1/7/24

I have the honour to be,

Sir,

Your most obedient servant,

G. P. Nimmagadda

2. The Municipal High School, Bellary is an old net cost school, maintained out of provincial funds. It is reported that the strength of Form III has risen to 100 and therefore the opening of a III section of the class has become necessary and the Chairman, Municipal Council requests sanction for the entertainment of an additional teacher on Rs. 40- 2- 50 plus Rs. 6 T.A with effect from 1-7-24.

3. The opening of the additional section is necessary and I, therefore, recommend that a temporary additional teacher on Rs.46 per mensem may be sanctioned with effect from 1- 7-24 till the re-opening of the school after the next summer vacation. Attention is in this connection also invited to my endorsement R.C.No.1503 B/23 dated 1- 2- 24 recommending the amalgamation of the temporary additions to pay with pay proper.

4. The proposal does not involve any additional expenditure in the current year as the pay of the teacher will be covered by additional fee receipts.

Note.

As a decision has been arrived at in connexion with

another file for revision of establishment of the staff of this high school that the temporary allowances should be merged in the pay the incumbents being started at the pay inclusive of the allowance, the pay fixed in the draft is Rs 46. As this only a temporary appointment the pay need not be a graded one ~~as it will amount to starting a~~ ~~ex. man on Rs 46 for person~~ if the post is made permanent it may then be sanctioned on a graded scale pay. This stated that there is no extra cost to Govt on account the teacher. The draft may however issue after acceptance of Law (Edn) & Fin.

The proposal to employ an additional teacher temporarily for 1 year in the Municipal High School, Bellary, may be accepted.

2. The pay of Rs 16 proposed in the draft (plaute) is inclusive of the ~~minimum pay of the post viz, Rs 40 plus~~ temporary increase of Rs 6. In connection with the proposal for the revision of pay of the teachers of the Municipal High School, Bellary, this dept suggested that no temporary increase will be admissible to the teachers newly employed and that the temporary increase of pay now drawn by the existing incumbents should be merged with their pay. Applying the above principle, no temporary increase is admissible in the present case. The pay of the teacher may be fixed at the minimum of Rs 40 p.m.
